

DS-2CD2T66G2-ISU/SL 6 MP Strobe Light and Audible Warning Fixed Bullet Network Camera

Empowered by deep learning algorithms, Hikvision AcuSense technology brings human and vehicle targets classification alarms to front- and back-end devices. The system focuses on human and vehicle targets, vastly improving alarm efficiency and effectiveness.

- High quality imaging with 6 MP resolution
- Excellent low-light performance with powered-by-DarkFighter technology
- Clear imaging against strong back light due to 120 dB true WDR technology

HIKVISIO

- Efficient H.265+ compression technology
- Focus on human and vehicle targets classification based on deep learning
- Active strobe light and audio alarm to warn intruders off
- Provides real-time security via built-in two-way audio
- Water and dust resistant (IP67)

#### Available Model

DS-2CD2T66G2-ISU/SL (2.8/4/6 mm)

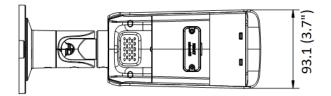

#### Typical Application

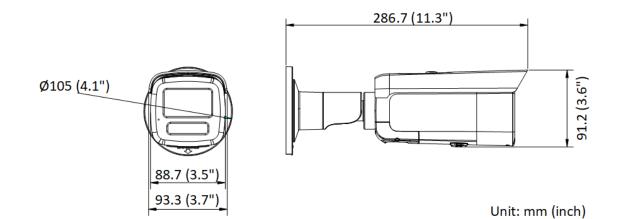

Hikvision products are classified into three levels according to their anti-corrosion performance. Refer to the following description to choose for your using environment.

This model has NO SPECIFIC PROTECTION.

| Level                  | Description                                                                                         |
|------------------------|-----------------------------------------------------------------------------------------------------|
| Top-level protection   | Hikvision products at this level are equipped for use in areas where professional anti-corrosion    |
|                        | protection is a must. Typical application scenarios include coastlines, docks, chemical plants, and |
|                        | more.                                                                                               |
| Moderate protection    | Hikvision products at this level are equipped for use in areas with moderate anti-corrosion         |
|                        | demands. Typical application scenarios include coastal areas about 2 kilometers (1.24 miles) away   |
|                        | from coastlines, as well as areas affected by acid rain.                                            |
| No specific protection | Hikvision products at this level are equipped for use in areas where no specific anti-corrosion     |
|                        | protection is needed.                                                                               |
